Your Dog's Day

PLAY, REST, TRAIN.

Daycare is available from 7am to 6pm, Monday through Friday. You may pick up your dog until 7 pm. After 7pm late fees may apply.

Your pup will get to play with his or her friends from Puppy Kindergarten, get in some power napping and then practice voluntary attention, sits and recalls.

The morning is play time! After a few hours of romping around your pup will take a break for a few hours and then be ready for a group training session on the puppy basics. After training it's back to play time and then we repeat the cycle.

All dogs must be non-aggressive and not food or toy possessive. We reward good behavior with treats and will attempt to modify undesirable behavior as much as we can. Dogs who become aggressive or over aroused will be given a timeout in a crate. WOOFSDOG! reserves the right to remove any dog from daycare if they injure or attempt injure another dog or person or if they become too difficult to manage in the daycare environment. Excessive barking may also result in dismissal.

Most dogs enjoy daycare for the first few years of their life. As they age they tend to need less exercise and naturally become less social. As your dog reaches social maturity they may no longer enjoy attending daycare. We will be sure to keep you apprised of your dogs behavior during a puppy- teacher conference approximately every six months.
